Additional calculation cases and withdrawal boundaries — Tournament T-PK-01

I reviewed a separate approved tournament profile Tower Rush PK with opt-in, period 01.11.2026 00:00:00 — 04.11.2026 23:59:59 PKT. The organization and parameters of the tournament are fixed in the approved operator campaign comparison profile; the affiliation of campaign Galaxsys or the casino is accounted for separately. Only the original Tower Rush was allowed, bet from 27.00 PKR. Points equal the sum of gross/stake of settled rounds with positive gross; void and pending are excluded. In a tie, the place goes to the one who reached the result earlier.
